Journey 4 Faith  
**Lisa Okuski**

Dear Lisa and Friends:

Thank you for your phone call requesting information about the funding for our mission outreaches. James and Betty and the staff at LIFE Outreach are encouraged when our friends show an interest in our ministry by calling or writing us.

LIFE Outreach is committed to being financially accountable and above reproach. Upon receipt of sufficient funds for specific projects, support will be used for equally important outreaches of LIFE.

However, to answer your question about donating money to a particular mission outreach, we will designate your gift for any area that you so desire. If you want the money to go to mission feeding or water well drilling projects in Africa, then we will be glad to honor your request. Simply put the designation on your check (in the memo section) and 100% of your gift will be sent to that area of outreach. Also, any donations gathered using a personal webpage at [www.ambassadorsforlife.org](http://www.ambassadorsforlife.org) are automatically designated toward that Ambassador's chosen outreach.

LIFE's guiding principle is to share God's love, not only through words, but also through deeds. With this aim in mind, we have responded to desperate needs created by floods, droughts, and wars in several countries. Over 1500 water wells have been drilled by LIFE and our mission partners. Other ongoing programs, such as orphanages and agricultural projects, have stabilized entire areas and helped families become self-supporting. We are also bringing fresh, clean water to whole villages through our well digging efforts in order to stop the spread of the lethal disease cholera.

May our faithful Father abundantly bless you and your endeavors.

Yours for LIFE,

A handwritten signature in black ink that reads "Brandon Heckler".
